

PHILLIES LOSE AND WIN LEAD

ALEXANDER IS HAMMERED IN SECOND CLASH

[Republican A. P. Leased Wire]
BROOKLYN, Sept. 30.—Brooklyn came back this afternoon by hitting Alexander hard and won from Philadelphia, 6 to 3, regaining first place. The morning game went to Philadelphia, 7 to 2. Alexander lost because Brooklyn hit his offerings when hits were needed. The visitors were unable to hit Marquard effectively after the first inning. Alexander retired from the game in the eighth. Brooklyn promptly made four hits and two runs off Kautlender.

Bancroft twisted his ankle so badly in the first inning that he had to quit. He will not play again this season. Both teams gave a remarkable exhibition of circus fielding this afternoon, with Brooklyn showing the greater steadiness. Score:

Morning Game
The Philadelphia captured the lead in the National League pennant hunt this morning by defeating the Brooklyn 7 to 2. Proffer was hammered hard and consistently and his service failed to baffle the visitors. Luders helped himself to two two-baggers and a home run. His play could do little with Rixey's delivery. The game was played on a wind-swept field. An afternoon game is to be played. Score:

Born 'neath Virginia's sunny skies

From the sun-bathed fields of Virginia comes the finest-quality cigarette tobacco on earth. Tobacco experts say so.

And it is this highest-grade Virginia tobacco that is in Piedmonts—they're ALL Virginia! Golden, lively, mellow as Virginia's sunshine itself.

That refreshing liveliness in a cigarette, that is known as *character*, is present from tip to tip in Piedmonts—because none but Virginia tobacco can give this character to a cigarette.

VIRGINIA TOBACCO PAYS NO DUTY—ALL THE VALUE IS IN THE CIGARETTE.

"A package of Piedmonts, please".

Logan & Myers Tobacco Co.

An ALL Virginia cigarette—**Piedmont**—The Cigarette of Quality

10 for 5¢
Also Packed 20 for 10¢

Monticello, Thomas Jefferson's residence in Virginia

NOTE:—The duty on the Turkish tobacco that goes into a 5¢ package of so-called blended cigarettes is greater than the cost of the tobacco itself! But Piedmonts, made of highest-grade Virginia tobacco, have all the value in the cigarettes—because there is no duty on Virginia tobacco—no ocean freight—no marine insurance, no wasteful handling.

GIANTS' WINNING STREAK GOES DOWN UNDER BOSTON'S ATTACK

[Republican A. P. Leased Wire]
NEW YORK, Sept. 30.—After Babe Denton had shut out Boston in the first game of a double header, the winning streak of the home team was broken in the second game. Though the locals broke all major league records of 29 straight early in the week, they just missed tying the world's record for all established leagues, made by the Corsicans, Texas, league team in 1903 when it won 27 straight. A pair of home runs stopped New York in the seventh inning of the second game. Score:

That the first show of the Arizona Kennel club to be held during the week of the state fair at the fair grounds is going to be a success is almost an assured fact. Secretary M. Joe Murphy of the club has been receiving letters daily from coast kennels all announcing that they would send entrants for the show. Some of these dogs are leaders in their classes, and a number of them will be for sale. Quite a number of Phoenixians while on the coast purchased blooded dogs, and will show them at the exhibition. The cups and other prizes which will be given to the winners will be on exhibition in a few days in the windows of the Palace Hardware and Arms company.

FOUR YEAR RULING FOR CLUB GRIDDISTS

[Republican A. P. Leased Wire]
PORTLAND, Ore., Sept. 30.—When football first became a popular sport among western universities, there were so few large educational institutions on this side of the continent that athletic clubs were encouraged to turn out eleven which were regularly placed on college football schedules. A few western clubs, such as the Olympic Club of San Francisco and the Multnomah Club of Portland, still retain the unique privilege of meeting

ENTRIES COMING IN FOR KENNEL SHOW

university teams on the gridiron, and despite the increased number of its collegiate opponents, the "big game" of the season that the University of Oregon plays is still with the Multnomah club. Recently the Multnomah club management announced a four-year rule for players and all the veteran mainstays were eliminated. This was done with the idea of putting the club more on a par with college teams. In some of the games this season the clubmen will be outwitted by college teams, something that has not occurred before. The team, however, promises to be strong. Among the candidates for backfield positions are the following: Martin H. Galt, of University of Michigan fame; Wallace De Witt, the Princeton football star who caused a change to be made in the football rules several seasons ago; Jack Day and Phil Patterson, of Stanford University, and C. Day, of the University of Washington. Men of equal ability are candidates for the line and quarterback positions. Multnomah's schedule, as arranged so far, includes games with the University of Oregon, Oregon Aggies, Washington State College, Whitman College and Willamette University. It is expected that a game also will be played with the Olympic club. The opening game will be on September 30, with the Oregon Aggies at Corvallis, Oregon.

SOLDIERS ORGANIZE A FOOTBALL TEAM

In order that border duties may not become too irksome and that they may give vent to their natural passion of being in on everything going, the boys of Company A, First Arizona Infantry, have organized a football team and are ready to play almost anything and anybody manifesting a desire to take part in the great American sport. The first game of the schedule as it is made up will be with Rishbee high today. After that they will play Nogales, Douglas, U. of A. freshmen, and Yuma. The team is being coached by Lieutenant Seeley, an old college man, who has had experience in the coaching line, and looks like a winner from the word go. Games with valley teams will be played providing such a team with nerve enough to go up against the boys in khaki can be found. The nearer the election approaches, the more dearly this administration loves everybody.
